Bridging THE GAP BETWEEN Legacy & Investment

In 1933, in the depths of the Great Depression, the Chattanooga Symphony was established by an orchestra led by Melvin Margolin and Borden Jones. Since then, the CSO has bestowed a legacy of excellence in musical performance and education.

Fifty years later, in 1983, Barnett & Company began its legacy by offering personalized investment advice to help manage an ever-changing market. Barnett & Company specializes in investment management, financial planning, and provides estate planning consultations.

Barnett & Company applauds the musicians, staff, volunteers, and patrons of the Chattanooga Symphony & Opera for their continued dedication to the arts.
